Dear Team,

We, Unique Global Source, are a leading provider of diverse interior 3D design, floor layouts, decoration, civil maintenance, and innovative signage and printing solutions. We understand the impact that effective signage and branding can have on a business's visibility and success. Our services are tailored to meet your unique needs, and we specialize in a wide range of offerings, including:

ORGANIZATIONAL STRUCTURE

HSE

The Health, Safety, and Environment (HSE) Department is dedicated to ensuring a safe and sustainable workplace by implementing comprehensive health, safety, and environmental practices. Our team is committed to minimizing risks, promoting wellness, and fostering environmental responsibility throughout all operations. Through regular training, inspection, and compliance with industry standards, we protect our employees, assets, and the community, supporting a culture of safety and sustainability across the organization.

To provide you with a more detailed overview of our capabilities, I have attached our company profile. It outlines our commitment to delivering top-notch quality, exceptional service, and creative solutions to our clients.

We take pride in our client-centric approach, ensuring that each project is treated with the utmost care and attention to detail. Our experienced team is dedicated to bringing your vision to life and exceeding your expectations.

I would be delighted to discuss how Unique Global Source can contribute to enhancing your brand presence and meeting your signage, printing, and design needs. Please let me know a convenient time for a brief call or meeting.

Thank you for considering Unique Global Source as your trusted partner. We look forward to the opportunity to collaborate with you.

Our Clients

3D & 2D DESIGNS

With innovative design and precision engineering, our 3D and 2D signage solutions create a lasting visual impact. Our team collaborates closely with clients to develop signage that aligns with their brand identity and effectively communicates messages. From LED-lit 3D signage to custom 2D graphics, we produce durable, high-quality signage for both indoor and outdoor environments.

BESPOKE CONTRACT

For clients seeking for unique, tailor-made solutions, our bespoke works offer unlimited creative possibilities. Our team works closely with clients to bring their vision to life, whether it's a one-of-a-kind installation, custom-built furniture, or specialty signage. With a focus on craftsmanship and innovation, we deliver bespoke projects that capture individuality, functionality, and artistry.

INTERIOR FITOUTS

Our experienced team provides end-to-end interior fit-out solutions, transforming spaces into highly functional and aesthetically pleasing environments. From design consultation to meticulous installation, we cater to commercial, retail, and various types of projects. Our commitment to quality and attention to detail ensures that each project reflects the unique style and vision of our clients, while optimizing space efficiency and comfort.

KIOSK

Our kiosk solutions are crafted with precision and creativity, offering functional and visually appealing setups that engage customers and support self-service operations. We work closely with clients to design custom kiosks for retail, food and beverage, and information services. Our kiosks are made from durable materials and include options for branding, digital integration, and user-friendly interfaces.

CIVIL MAINTENANCE

We offer a full spectrum of civil maintenance services to uphold the structural integrity and visual appeal of properties. Our services include routine inspections, repairs, and preventive maintenance that safeguard against costly disruptions. We cater to a range of facilities, providing reliable solutions that extend asset lifespan, reduce maintenance costs, and enhance safety and compliance standards.

STEEL STRUCTURAL ENGINEERING FABRICATION

We provide advanced steel structural and engineering fabrication services for projects of all scales. From structural frameworks to intricate engineering designs, our fabrication team leverages top-quality materials and techniques to deliver durable, high-performance steel solutions. Our expertise ensures that every piece is fabricated with structural integrity, supporting both aesthetic and functional project goals.

INTERNAL SIGNAGE

We specialize in the design, manufacture, and installation of internal and external signboards that promote clear, consistent branding and communication. Our signboards are crafted from durable materials and a variety of finishes, ensuring resilience and clarity. Ideal for retail, corporate, and public spaces, our signboards enhance visibility and brand presence in any setting.

EXTERNAL SIGNAGE

With innovative design and precision engineering, our 3D and 2D signage solutions create a lasting visual impact. Our team collaborates closely with clients to develop signage that aligns with brand identity and effectively communicates messages. From LED-lit 3D signage to custom 2D graphics, we produce durable, high-quality signage for both indoor and outdoor environments

SAFETY SIGN

Safety is our top priority, and we offer a comprehensive range of safety signages that comply with industry regulations. Our clear, easy-to-understand safety signs are designed to improve workplace safety and navigation, creating an environment that minimizes risk for employees, customers, and visitors. We offer customizable safety signs suited for various industries, including construction, manufacturing, and healthcare.
